Dear Ms April

Job Reference – Miss A.Other

Miss Other successfully completed our work experience simulation training course that required her to execute a variety of legal assignments in and around the High Court in London. This was followed by further legal skills and court training over a period of time.

As a consequence of this training and having passed a **test of her competency** we believe that Miss Other will be found to be an asset to your company should you decide to employ her.

Yours sincerely,

Celsa Teixeira
